Notice is hereby given that the General Election for State and County Officers will be held at the voting precincts prescribed by law in said county on Tuesday, November 2, 1920, said day being Tuesday following the first Monday in November, as prescribed by the State Constitution.

The qualification for suffrage:

Managers of Election shall require of every elector offering to vote at any election, before allowing him or her to vote, the production of his or her registration certificate and proof of the payment of all taxes, including poll tax, assessed against him or her and collectible during the previous year. The production of a certificate or of the receipt of the officer authorized to collect such taxes shall be conclusive proof of the payment thereof.

Section 237, Code of 1912, as amended by Act No. 6, special session of 1914.

Section 237. There shall be three separate and distinct ballots, as follows: One ballot for United States Senator, Representatives in Congress, and Presidential electors; and one ballot for Governor, Lieutenant Governor, State Officers, Circuit Solicitors, members of the House of Representatives, State Senator, county officers; and one ballot for all Constitutional amendments and special questions, each of three said boxes to be appropriately labelled; which ballots shall be of plain white paper and of such width and length as to contain the names of the officer or officers and question or questions to be voted for or upon, clear and even cut, with ornament, designation, mutilation, symbol or mark of any kind whatsoever, except the name or names of the person or persons voted for and the office to which such person or persons are intended to be chosen, and all special questions which name or names, office or offices, question or questions shall be written or printed or partly written or printed thereon in black ink; and such ballot shall be so folded as to conceal the name or names, question or questions thereon, and, so folded, shall be deposited in a box to be constructed, kept and disposed of as herein provided by law, and no ballot of any other description found in either of said boxes shall be counted.

On all special questions the ballot shall state the question or questions and shall thereafter have the words "Yes" and "No" inserted, so that the voter may indicate his or her vote by striking out one or the other of such words on said ballot, the word not so stricken out to be counted.

Before the hour fixed for opening the polls, Managers and Clerks must take and subscribe the Constitutional oath. The Chairman of the Board of Managers can administer the oath to the other members and to the Clerk; a Notary Public must administer the oath to the Chairman. The Managers elect their Chairman and Clerk.

Polls at each voting place must be opened at 7 o'clock a. m. and closed at 4 o'clock p. m., except in the city of Charleston, where they shall be opened at 7 a. m. and closed at 6 p. m.

At the close of the election the Managers and Clerk must proceed publicly to open the ballot boxes and count the ballots therein, and continue without adjournment until the same is completed, and make a statement of the result for each office and sign the name. Within three days thereafter the Chairman of the Board, or some one designated by the Board, must deliver the Commissioners of Election the poll list, the boxes containing the ballots and written statements of the results of the election.
